

sensors

Dear Colleagues,

On behalf of the award committee, we are pleased to announce the winner of the *Sensors* 2022 Travel Award in Remote Sensors and Radar Sensors.

The award has been granted to Mr. Karol Abratkiewicz, a Ph.D. student from the Faculty of Electronics and Information Technology, Warsaw University of Technology. His research focuses on radar, signal processing, and time-frequency analysis, and he has published many significant and highly regarded papers in this field.

2022 TRAVEL AWARD IN REMOTE SENSORS AND RADAR SENSORS

WINNER

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting such a diverse and fascinating range of research topics. On behalf of the assessment committee, we congratulate the winner on his accomplishments.
